

## Silverback Learning Solutions announces integration partnership with CenterPoint Education Solutions

**Meridian, Idaho (April 14, 2021)** – Today, Silverback Learning Solutions, a leading K-12 educational platform, announced its partnership with CenterPoint Education Solutions. CenterPoint Education Solutions is a nonprofit organization that creates high-quality, innovative solutions to empower educators and improve learning for all students throughout their educational journey. With this partnership, Silverback’s edifyAssess will include high-quality, curriculum-aligned interim assessments that can be used by schools and districts across the country to measure student learning and plan instruction.

“Student assessment should always be about giving teachers and students actionable information,” said Laura Slover, CEO of CenterPoint. “We’re excited to be partnering with Silverback Learning to bring this powerful, high-quality solution to schools.”

By combining Silverback’s capabilities with CenterPoint Education Solutions, leaders and educators across the country will have access to real-time data that align directly to a teaching and learning environment that promotes positive gains in the classroom.

Andrew Klingman, Vice President of Sales and Channel at Silverback, had this to say about the partnership: “Silverback Learning is proud to partner with CenterPoint Education to expand accessibility to their industry-leading suite of assessment solutions and services through our award-winning edifyAssess platform.”
